SUMMARY OF BILL: Requires local education agencies (LEAs) in which one or more public charter schools operate to compile a list of all vacant property and space within LEA owned or operated educational facilities. This list shall be submitted to the Department of Education which shall make the list available to any public charter school seeking establishment in the LEA.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Most LEAs keep a list of vacant property and educational space. LEAs will compile and the DOE will distribute lists of vacant space and property within existing resources without an increase in personnel or a reduction in other budget items.
